

Getting ready for Easter . . .

Which of your friends, family, and coworkers can you invite to Easter service? The average person is connected to 150 people. We would challenge you to invite two or three people to church on Easter Sunday. **All you need to do is ask.**

Have your friends over for dinner or out for an activity.

Make the invite.

Spend time with them while at church.

Be sure to follow up.

These tips aren't just for Easter! Following them will help you be more effective at living out Jesus' Great Commission to "make disciples of all nations" throughout the year.

What are some other ways you can reach your friends with the Gospel?

MISSIONS SPOTLIGHT: Reception for Monica

What a joy it has been to have Monica home with us these last few months. We are preparing now to send her back to South Asia and we want to send her back well. Please join us immediately after worship on April 28 for a reception honoring her. A light lunch will be served, part of which will include authentic food from the culture where she serves. A blessing tree and cards will also be available to encourage Monica and help meet needs for her return to South Asia. Make plans to be a part of this luncheon where we bless Monica and celebrate the work God is doing through her.
