new sermon series

Everyone wants to be free. We want to do what we want to do, say what want to say, and live the way we want to live. But in reality, freedom is not so simple. At times, what feels like freedom is actually a harsher form of slavery. In the impassioned letter we call Galatians, the apostle Paul argues that many were confusing freedom with slavery. In contrast to the world's misguided paths, there is only one way to be fully *Liberated*. Join us as we begin discovering how salvation by grace through faith in Jesus brings true freedom.
